

Bible in One Year Reading Plan

Congratulations on your commitment to read through the Bible! This journey will help you grow in your knowledge of the Word. As you read, you will find that your attitudes and behaviors better align with God's purposes. Ask God to speak directly to you through your readings, and expect to hear from Him.

- The daily readings take about 10 minutes. You should set aside a specific time and place for your readings.
- Consider getting a journal to write down questions and observations each day.
- This is about exposure to the Word; it's not a Bible study. Don't get bogged down in the readings, jot down questions in your journal.
- Consider asking another person to take the journey with you. You will be able to share your learnings and encourage each other.

Daily Bible reading may be difficult for you at first. Don't be discouraged if you miss a day. That's normal. To create a new habit you have to push through 21 days of consistency. Keep at it. You have what it takes!
